ALTERNATIVE ENERGY INNOVATIONS

*Published in July*

» Targeted to 40,000 engineers and managers who design/develop products for energy applications, culled from the Tech Briefs qualified subscriber file.

» Each issue also will be available on the Green Design & Manufacturing Web site: [www.greendesignbriefs.com](http://www.greendesignbriefs.com)

Do you design/develop products for the energy market?

YES — 40,000  
100%

### SPECIAL BENEFITS FOR CHARTER ADVERTISERS

- Your ads will be included in a LEAD GEN e-mail blast to over 130,000 opt-in *Tech Briefs* subscribers. You get reports with complete contact data for readers who request information about your products.
- Free logo banner (120 pixel width) in the Company Spotlight section of the Green Design & Manufacturing Web site, linked to your site. Hosted for three months with each ad placement. Run a 1/2 page or larger ad in all three issues and get a FULL YEAR banner — a \$4,200 value!
- With your first ad, your company and products will be highlighted in the Green Design & Manufacturing e-mail newsletter (70,000 subscribers).
- We track all clicks within your digital ad. Add animation or video links at no additional charge.
